

ABOUT FH2 PHARMA

Our Mission

To revolutionize the generic pharmaceutical market by providing uniquely dosed prescription generics across multiple therapeutic areas.

Our Journey

Founded in November 2018 by industry thought leaders, FH2 Pharma recognized the need for a specialized pharma company focusing on unique dosage formulations.

Our Focus

Catering to independent and specialty pharmacies, ensuring the availability of high-quality generics through wholesalers.

WHY PARTNER WITH US?

FH2 Pharma offers more than just products; it offers a true partnership that prioritizes your success and the well-being of your patients. Here's why you should consider partnering with us:

1. Flexible Payment Terms- We understand the challenges of managing finances in the healthcare industry. Partnering with FH2 Pharma means you can enjoy flexible payment terms tailored to your needs, allowing you to focus on providing quality care to your patients.

2. Product Discount Opportunities- By cutting out the middleman, we provide you with higher discount opportunities, ensuring that you can offer cost-effective solutions to your patients while maximizing your profitability.

3. Sales Driven Demand- Depending on where you are, our sales teams are always promoting our product portfolio (**please see the states highlighted in green to see where**), driving demand to your pharmacies.

4. No Minimal Orders Required- You have the freedom to order as per your requirement. There are no minimum orders, allowing you to maintain a lean inventory and minimize financial strain.

5. Overnight Free Shipping- We understand the urgency of healthcare. That's why we provide overnight free shipping to your pharmacy, ensuring that you have timely access to the products you need to serve your patients.
